What will happen next?

Lux Funeral Home will send a care professional to your loved one's location as soon as we are notified.

In most cases it takes less than an hour and a half for us to arrive at any location in the San Antonio area. Your loved one is then transferred directly into our care center located at 1254 Business 35 N., New Braunfels, TX 78130.

Your loved one never leaves our care.

A staff member will be dedicated to assisting you and your family and will contact you to set a mutually agreed upon time of your choosing. From there, we will then take care of filing all necessary paperwork with the State of Texas, assist you in making arrangements associated with a service, etc.

We are here to help.

Please call us if you have additional questions or need immediate assistance at 830.624.0500. Our telephones are answered 24 hours a day, 7 days a week by a licensed funeral director. We do not use an answering service.
